

SDVOSB WORKSHARE REQUIREMENTS FALCON/GS2 ALLIANCE

Falcon IT & Staffing Solutions and Government Solutions and Services (GS2) have formed a partnership to help our customers meet their small business goals.

GS2 is the SDVOSB and Falcon is the staffing horsepower. Our team is now equipped to fulfill your basic staffing needs and workshare requirements.

ABOUT OUR COMPANY

The Falcon Team has over 2 decades of experience staffing Commercial, Military and Federal Civilian, and Intelligence Agency contracts across the United States.

OUR PROCESS

Falcon IT has developed a tracking system to follow our candidates through their promotion cycles and changes of employment, year after year to locate unique or passive candidates not readily available to the public.

WHY CHOOSE FALCON?

- 99% of our clients are small businesses.
- Customizable payment terms.
- 24-72 hour candidate resume turn-around time.

FALCON GS2 STAFFING SOLUTIONS JOINT VENTURE

Falcon IT & Staffing Solutions is proud to announce our dynamic partnership with Government Solutions and Services (GS2), a VA-certified Service-Disabled Veteran-Owned Small Business (SDVOSB).

VA-CERTIFIED SDVOSB ALLIANCE

EMPOWERING VETERANS TOGETHER

Falcon IT has now joined forces with GS2, a prestigious VA-certified SDVOSB.

GS2 has a stellar reputation for its unwavering dedication to helping veterans transition into civilian life with dignity and purpose.

This partnership solidifies our commitment to supporting veterans and amplifies our collective impact in the IT and staffing solutions industry.

Together, Falcon IT and GS2 are doubling down on our efforts to provide meaningful employment opportunities and support services for our nation's heroes.

SERVICE FOCUS LEADERSHIP

Falcon IT's CEO, Brandon Shepherdson has over 25 years of experience in the Federal and Commercial industries, offering personalized services for organizations seeking top-tier talent

STAFFING EXPERTISE

Falcon IT boasts a proven track record of excellence in staffing solutions. From sourcing top-tier talent to optimizing workforce performance, our expertise ensures that your organization has the right people in the right roles, every time.

GS2's CEO, M. Blaine Hedges - Colonel, US Army, Retired, brings a wealth of military experience, infusing our collaboration with a deep understanding of sacrifice, dedication, and mission-driven leadership.

SEAMLESS INTEGRATION

This background sets the tone for a partnership rooted in honor and integrity.

Together, Falcon IT & Staffing Solutions and GS2 offer a seamless integration of capabilities, resources, and networks. Whether you're a government agency seeking IT solutions or a veteran looking for career opportunities, our partnership delivers unparalleled value.
